

DRESS CODE

As a Christian school whose responsibility it is to mold the lives of our young people into that of tomorrow's world-changers, it is necessary that we uphold the highest standards of morality and decency while realizing an image of excellence. It is important for our students to come to school dressed to perform, work, and achieve. For this purpose, ACS has a standard dress code. The student's appearance has a direct effect on his or her attitude and performance in the classroom. Students (K4-12) will wear the required clothing set forth in this section.

We desire for our young people to understand the spirit of our standard. That spirit could be stated as follows: ACS's outward appearance is to reflect the inward purpose and quality of the student. Modesty and Christian virtue should be at the heart of what our young people desire to exhibit in their dress. If they are taught these values, they will embrace them because they are right, and they make sense.

Infractions of the dress code will usually result in first a reminder and then demerits if infractions continue; although, students who are chronically outside of the dress and grooming codes of ACS will be sent to the office, and in some cases, sent home. It is important that all students follow the dress code. The dress code is in effect between the hours of 8:00 a.m. and 3:30 p.m. At all other times, all dress decisions are expected to positively reflect on ACS.

After school hours, whether on campus or off, any student conducting activities as a representative of ACS is expected to dress as directed by the event sponsor/ teacher / coach. Any student attending after school functions as a spectator should consider these dress code guidelines and their representation of ACS. All dress decisions are expected to positively reflect on ACS.

The standard of dress is designed to reflect modesty, neatness, and appropriateness. It is also designed to contribute to a distinctive Christian education and promote an effective learning environment. In all the dress standards, it should be clearly understood that the administration and staff of ACS reserve the right to determine if a student is not dressed modestly, neatly, or appropriately. Consultation will be welcome, but it would be best to consult before the fact, not after. In the end, the judgments of ACS staff must prevail.

Modesty can be defined as making sure our bodies are covered in such a way as to honor the Lord and not to offend and/or tempt those around us.

Neatness can be defined as a look that is clean, with clothes that are proper fitting and in good repair.

Appropriateness can be defined as wearing clothes that fit the occasion. In a school setting, appropriate clothes are those that do not hinder the educational process or draw attention to oneself. The dress code is not designed to support or encourage the latest fashion trends or fads. This means that clothing bought at some of the popular clothing stores may not meet ACS guidelines.

In summary, an overall view of your child's clothing should reveal it to be modest, neat, clean, well-fitting, and in good repair. We hope that the appearance and dress of each student

will be of such a nature each day that it will be a credit to the Lord, to the student and his or her family, and to the school. We ask for the parents' cooperation in making certain your child not only be dressed to the "**LETTER**" of the dress code but that he also be dressed in the "**SPIRIT**" of the dress code.

GROOMING GUIDELINES FOR BOYS

1. Boys must wear a standard haircut. Hair must be off the collar, off the ears, and in a manner that will not impair vision. The top length should be no longer than 2-1/2". The side length should be trimmed above the ear. The hair may not touch the eyebrows in the front and the shirt collar in the back. Sideburns may not be any longer than the middle of the ear and must be kept trimmed. Boys may not have facial hair, ponytails, or "man buns." Extreme hairstyles, including an insignia shaved into hair is not permitted. No strange or faddish haircuts will be allowed. No *strangely* dyed, tinted, or colored hair. This haircut code is explicit and narrow in its interpretation. It has been deliberately designed to be so. Recent trends in men's hairstyles have been effeminate, careless, and expressive of a lack of personal standards. ACS is not concerned with the latest trends or fads. We only support a standard, conservative haircut. Experience has already proven this to be a desirable approach in the business community and in helping to train young men for God.
2. The school administrator reserves the right to require a student to get a haircut or change the style or color if, in the judgment of the administration, the student's choice is not appropriate.
3. Excessive jewelry will not be allowed. Boys may never wear earrings while enrolled at ACS.
4. Hats or sunglasses may not be worn inside the building.
5. Boys must be clean-shaven. After one warning, they will be asked to shave at school or go home and shave.

Note: No facial or body piercings (i.e. nose, eyebrow, tongue, or gauges) or tattoos will be allowed.

GROOMING GUIDELINES FOR GIRLS

1. Girls must keep their hair neat and clean and styled in a conservative manner that will not impair vision. No *strangely* dyed, tinted, or colored hair, hair jewelry (i.e. beads, tinsel, etc.), strange haircuts or strange hairstyles will be allowed. Hair bows and headbands that coordinate with the outfit are permissible. The school administrator reserves the right to require a student to get a haircut or change the style or color if, in the judgment of the administration, the student's choice is not appropriate.
2. Girls may wear light makeup beginning in the 6th level. Colors used should be conservative and makeup should never be worn heavily and should never be excessively bright.
3. Nail color may be worn if it is not chipped. Nails should be trimmed and filed to an even length and should never be excessively long.
4. No false eye lashes or glitter on eyes or in hair is permitted.

Note: No facial or body piercings (i.e. nose, eyebrow, tongue, or gauges) or tattoos will be allowed.
